Step-by-Step Guide to Out-of-Network Benefits

If your insurance carrier is out of network with Behavioral Clinic – you can now submit your claims through an app called Reimbursify. It is a safe and easy way to electronically submit your out of network claims, to your insurance company. If you have met your out of network deductible, your insurance company will mail a check to you for reimbursement.

In order to file your claim, it is easy as 1, 2, 3

1. Call your insurance company to verify your out of network benefits for outpatient mental health. Provide them with commonly used codes use for billing:
 - Therapy: 90791 and 90837
 - Testing: 96130, 96131, 96132, 96133, 96136, and 96137
2. After your appointment, ask for an invoice
3. Use the Reimbursify mobile app to submit a reimbursement claim to your insurance company
4. Receive your reimbursement check!
